Guidelines for conduct of Commodity Awareness Program (CAPs)

I. Introduction

Commodities Derivatives Trainers (CoTs) are recognized by SEBI for conducting Commodities Awareness Programs (CAPs) with the objective to promote awareness amongst the stakeholders about commodities derivatives market.

The following guidelines have been framed which will serve as a guide to CoTs in conducting the program in Commodities Derivatives market. These guidelines should be read in conjunction with Scheme for conduct of Awareness Programs on Commodities Derivatives (CoTs Scheme) issued by SEBI in the year 2017.

The Guidelines are as under:

II. Target Groups for Commodities Awareness Programs (CAPs):

1. CoTs should conduct Commodities Derivatives Awareness Program (CAPs) for commodities whose derivative contracts are traded in SEBI recognized Commodity Derivative Exchanges. The list of such commodities are available on the websites of respective commodity derivatives exchanges.
2. In order to conduct and organize CAPs at different locations and in different commodities, CoTs may refer to **Annexure-I** (NCDEX and MCX) which contains particulars about the commodities whose contracts are traded in recognized commodities derivatives exchanges, such as names of their basis centers, production centers, trading and storage centers; etc.
3. The Commodities Derivatives Trainers (CoTs) shall conduct Commodities Awareness Programs (CAPs) on Commodities Derivatives for the stakeholders and value chain participants of the commodities market. The indicative list is given below:

<i>Target groups for agricultural commodities</i>	<i>Target groups for Nonagricultural commodities</i>
<i>Farmers</i>	<i>Producers</i>
<i>Farmers' Associations</i>	<i>Manufacturers/ MSMEs(Micro Small and Medium Enterprises)</i>
<i>Farmer Producer Organisations / Companies</i>	<i>Processors/ Fabricators</i>
<i>Processors / Ginners/ Millers</i>	<i>Traders / Stockist</i>
<i>Traders / Stockist</i>	<i>Exporters</i>
<i>Exporters</i>	<i>Importers</i>

<i>Importers</i>	<i>End users, consumers etc.</i>
<i>End users, consumers etc.</i>	
<i>Universities and educational institutions. Officials of Government Department related to agri and non-agri commodities related matters</i>	

(The above target groups are illustrative only and not exhaustive.)

- CoTs may contact or communicate or liaise with appropriate contact points of the respective target groups for conducting CAPs. An indicative list is as mentioned below:

Agri Commodity:

<i>Agri stakeholders</i>	<i>Contact Points</i>
<i>Farmers, Farmers' Associations, Farmer Producer Organisations / Companies</i>	<i>Farmer Producing Companies</i>
	<i>Cooperative Societies</i>
	<i>Consumer Cooperative Societies</i>
	<i>Marketing Cooperative Societies</i>
	<i>Agricultural Produce Market Committee (APMC)</i>
<i>Processors / Ginners</i>	<i>Local Trade Association</i>
<i>Exporters / Importers</i>	<i>Importers and Exporters Associations</i>
<i>Traders / Stockist</i>	<i>Traders Association</i>

Non-Agri Commodity:

<i>Non-Agri stakeholders</i>	<i>Contact Points</i>
<i>Producers Manufacturers Processors Traders / Stockist Exporters Importers End users, consumers etc.</i>	<i>Local Trade Association</i>
	<i>Members of Chambers of Commerce</i>
	<i>Importers and Exporters Associations</i>
	<i>Traders Association</i>
	<i>Processors Association</i>

The above contact points are illustrative only and not exhaustive. CoTs shall proactively take the initiatives in identifying the areas and contact points of the target groups on the basis of location of commodities.

- The target group for whom CAP is conducted should be a homogenous group so that there is parity in imparting awareness on the commodity derivatives market i.e. they should belong to a single commodity group.

III. Conduct and Organizing of Commodities Awareness Programs (CAPs):

6. The program shall be conducted free of cost and no money shall be collected for any purpose from the participants of such programs. The prescribed material as shall also be provided free of cost during the workshop.
7. **Number of Participants:** In order to ensure effective and efficient understanding of concepts by the target audience in any program, CoTs may conduct programs for the commodities market stakeholders preferably with a minimum number of 25 participants and preferably not more than 50.
8. **Venue:** CoTs shall conduct program at appropriate location which is conducive to imparting education. In this regard, CoTs may liaise with the local trade association or Chamber of Commerce etc. for the venue of the program. CoTs may also contact local school and colleges for getting infrastructure support for conducting the program.

9. Communication and Publicity of CAPs:

- CoTs shall display banner prominently at venue of the program as prescribed in the CoTs Scheme.
- CoTs should create awareness /publicity about the Commodities Awareness Programs (CAPs) among the target audience before the scheduled program so as to ensure maximum participation. CoTs may request local trade bodies or other associations and chamber of commerce to issue circular of program to their members. Further, CoTs may display banner of CAPs in prominent places like market place, mandis, APMC, office of trade association etc. to give adequate publicity about the ensuing program.

10. **Duration:** Duration of program shall be 2 and half hours followed by Questions and Answers sessions. Format of program and topics to be covered shall be attached as **Annexure II**.

11. Knowledge Level of Trainer:

- Trainer of CoTs must possess adequate product knowledge and market knowledge of physical / spot market and derivatives market of commodities in which CAPs is being conducted. Trainer should have adequate information about product, export and import, harvesting and sowing season and production of commodity etc.
- CoTs shall use training materials that contain essential core information pertaining to Commodities Derivatives market. The standard presentation may be used during the program.

- Trainer should be able to answer the queries raised by audience confidently and courteously & shall not get into arguments with the audience. Trainer shall, at all times, be fair, respectful and courteous to trainees, to fellow CoTs and others.

12. Medium of Instruction in Commodities Awareness Programs (CAPs):

CoTs shall conduct physical and 1webinar program only in the local language or a language which is understandable by the target audience/ participants of the place where the CAP is conducted.

13. Feedback: CoTs should obtain feedback in the format given by SEBI from every participants. The feedback is to be provided in the format as attached at **Annexure III**.

14. CoTs shall conduct programs in the states in which they are located. However, CoTs may conduct programs in the nearby states subject to the approval of SEBI.
² However, CoTs shall conduct only webinar programs outside their States/Jurisdiction in which they are located subject to the approval of SEBI.

15. The CoTs shall not sub-contract or outsource conduct of the Commodity Awareness Programs (CAPs).

IV. Others:

16. CoTs shall not promote commercial interest of any intermediary or undertake any commodities market related business activity.

17. CoTs shall not make any exaggerated claim about efficacy of any specific product or market.

18. CoTs shall maintain competence in the field of Commodities Derivatives by actively participating in any training workshops held and/ or approved by SEBI (as required) and through passing of any required certification examination, as may be approved by SEBI.

19. CoTs shall not make either through words/ gestures any derogatory or defamatory remarks against any individual or organization.
